

What is Cyber Essentials Plus?

Cyber Essentials Plus is a government-backed certification that assures controls have been put in place correctly and have been tested by accredited auditors.

A P Systems Cyber Essentials Plus audit lead assessment and certification includes:

- Unlimited attempts and support
- Audit of your critical defences
- A free in-depth vulnerability scan
- Browser and email malware simulation check

Get the added assurance of expert validation for your devices, servers and applications.

You must have a current Cyber Essentials certificate no older than 3 months old to apply for Cyber Essentials Plus

Prices start from £1450 per annum
