What is Cyber Essentials?

Cyber Essentials is a simple and effective Government backed scheme that will help you protect your organisation against a range of the most common cyber attacks.

From the small scale startup to the established and growing business, Cyber Essentials will help you avoid the consequences of such things as:

- **Phishing attacks**
- **Malware**
- **Ransomware**
- **Password guessing**
- **Network attacks**

Cyber Essentials is the perfect introduction to good cyber hygiene. Not only does it provide a strong security foundation, but it's also a requirement for businesses to bid for government contracts. It's a good gateway into more advanced certifications in the future, too.

A P Systems Cyber Essentials verified assessment and certification includes a 100% guaranteed pass rate and £25K free cyber insurance from only **£675 per annum**
